Like a multicoloured jewel in a golden crown.

The village famous for its colours. Bright yellow shops. Snug red houses.

Orange buildings, green buildings. Colours all around.

In blew a storm, a mighty thunder storm.

Get inside! people cried.

lightning flashing, thunder booming. Wind howling, waves crashing. Chaos!

Brilliant vivid houses smashed to smithereens. Shards of glass strewn across the empty streets. Chimney pots shattered against the yellow walls. The rainbow of colour gone forever!
