Dear Parent/Carer

Primary 7 Transition Programme

We are writing to you to inform you about our Primary 7 Transition Programme for the Primary 7 pupils who will be attending Campbeltown Grammar School in August 2021.

At the moment we are still reliant on Government Guidelines and restrictions and so will be continuing to monitor our Programme between now and into June if any change in recommendations and guidelines are announced.

We have already begun our Programme with the Primary 7 pupils on Virtual Google Meets on a number of occasions since the start of last term. Pupils have had introductions to our Senior Leadership team, some staff and have also had a question and answer session with members of our Junior Student Council and A Murray.

At the time of writing we are proposing to continue to have on line lessons from different departments at CGS and these will be posted on the Primary 7 Google Classroom for the days of Monday 24th, Tuesday 25th and Wednesday 26th of May. The pupils may access these through their Primary 7 classes but you can also engage at home with these assignments and see what the different subjects have planned for the children for those days.

During these days the pupils will also have access to virtual tours of the school and introductory videos from members of staff. There will be links to these posted to our School Website so that parents and carers can also view these and discuss with their children.

We are also delighted to inform you that we can invite our Primary 7 pupils from Dalintober and Castlehill in for short visits and tours in the morning and afternoon of Thursday 27th May when it is an in-service day at Campbeltown Grammar. Pupils from Drumlemble, Carradale and Rhunahaorine will be invited at a later date which will suit all three of the schools. This has been dependent on numbers allowed in the building and more information about arrangements will follow.

We are also proposing having a virtual 'House Information Evening' before the end of the session to which parents and carers would be invited to attend. At this on-line meeting you will be introduced to our Senior Leadership Team here at CGS and also get the chance to meet your child's Head of House and Guidance teacher. Information

Comhairle Earra Ghàidheal agus Bhòid

about this will be shared with you as soon as we can. Last session they took place between 4pm – 5.30pm and lasted approximately half hour each.

There will also be more information about returning to CGS in August, uniform requirements etc. before the end of this session.

Please don't hesitate to get in touch with us with any queries, either by phone or by e-mail and we are very much looking forward to continuing to work with all our Primary 7 pupils in the next few weeks and welcoming them to Campbeltown Grammar.

Yours faithfully

Mrs B Campbell
Depute Head Teacher
