Jack Ralston & Eilidh Osborne enjoyed a day trip to Hampden on Tuesday as Young Ambassadors representing Campbeltown Grammar School. The day was hosted by SportsScotland, giving the pupils the opportunity to take part in various workshops around school sport & to understand their role as Young Sports Ambassadors for this academic year. We look forward to working with Jack & Eilidh in the all things sport, health & well-being.

Pictured with Jack & Eilidh, is former CGS Young Ambassador Josh Arkell who has continued his volunteering role with SportsScotland and was part of the delivery team this year at Hampden, hosting the conference. Well done Josh!

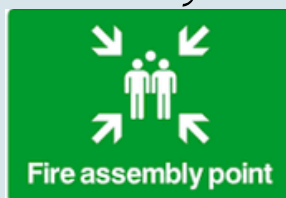

Last week we had our first practice fire drill.

It is very important that students exit the building quickly via the nearest fire exit and are registered at the fire assembly point in their Personal Support classes.

We would appreciate your support in stressing the importance of our evacuation procedures for the safety of all.
