

Home Learning Grid P2

Literacy	Numeracy	Other areas
<p>Spelling</p> <p>Rainbow words – Can you write words using different colours for each letter? Then try and use your word in a sentence.</p>	<p>Number</p> <p>Write numbers up to 30 (or 40 if you can!) Practise finding the number before, after, in between and “missing numbers”.</p>	<p>Topic</p> <p>Choose a minibeast you would like to learn about and find some interesting facts (Youtube, internet search, books). Make a fact file about it!</p>
<p>Reading</p> <p>Play a game of word splat with your most recent words. Can you find any of your words in a book?</p>	<p>Addition</p> <p>Target addition – Put numbers from 1 to 10 on the floor and throw an item (beanbag, teddy) on 2 numbers. Then add them together.</p>	<p>Health and Wellbeing</p> <p>Keep active at home – try some fitness or yoga at home!</p>
<p>Writing</p> <p>Write a sentence or short story about a minibeast. Remember to use capital letters, full stops and finger spaces.</p>	<p>Subtraction</p> <p>Lay playing cards from 1 – 10 upside down on the table. Pick cards at random and take that number away from 10. (A dice could also be used)</p>	<p>French</p> <p>Practise counting up to 10 in French. Can you tell someone in your family how you are feeling?</p>
<p>Phonics</p> <p>How many words can you think of that have your sound in them? Draw 4 pictures and 4 words with the sound.</p>	<p>Symmetry</p> <p>Can you find anything symmetrical in your house? You can draw a symmetrical picture or pattern too.</p>	<p>Topic/ Art and Design</p> <p>Make a collage of a minibeast of your choice. Use different pieces of paper to make a colourful minibeast.</p>
