

Literacy

- Keep reading for stars on your StarBooks Card!
- Write a Bookflix review for every book you finish reading. Remember to write the title of the book, what it was about and why you would recommend it!
- Choose a picture from the website link <https://www.onceuponapicture.co.uk/>
What can you see in the picture? What does it make you think about? Use the picture to help you write a story.
- Make playdough! <https://www.bbcgoodfood.com/howto/guide/playdough-recipe>
- Use your new playdough to create your characters from your once upon a picture story.
- Use a camera to create a stop motion animation of your story or a part of your story.
- Watch this youtube clip to give you the basics of stop motion
<https://www.youtube.com/watch?v=td2DgP56DP0>
- You can download Stop Motion Studio for free to help you with your animated story!

Maths

- Times tables quick fire questions <https://www.topmarks.co.uk/maths-games/hit-the-button>
- Sumdog https://www.sumdog.com/user/sign_in
- Target number. How many different ways can you reach your target number using all your number strategies for addition, subtraction, multiplication and division! Make it more challenging by following the Countdown numbers game https://youtu.be/RZgkr5_Xn58
- Can you crack the code? <https://kids.nationalgeographic.com/games/action-and-adventure/crack-the-code/>
- Try creating your own code cracker wheel and questions.

Activities

- Can you make your own relaxing mindfulness melody? Using things you find in and around your house, explore different sounds they can make to create your own mindfulness melody
- Design challenge – Your challenge is to design the tallest tower that can stand up on his own. You are only allowed to use 3 sheets of A4 paper and 1 meter of cellotape.

Gaelic

- Teach someone at home a new phrase in Gaelic.
- Try practicing what we have learned and see if you can learn something new on DuoLingo!
<https://www.duolingo.com/>
