

Arriving at and leaving school

Children in P1-7 start at 9; you will not have access to school before 8.50 so don't be early as we do not want congregating at the school gate. P2-7 will enter at small school gate where a staff member will meet you. P2-4 will enter school round the side via the back door as usual and P5-7 via the front door. All your parents dropping off should wear a face mask, keep 2m distance from others and must not congregate. P1s, with a parent wearing a face mask, are to go to the main playground through the big gate and find a spaced spot to wait on where you will be met by Mrs Harrison at 9. ELCC start at 9.15 and parents are asked to queue up the path following the 2m spacing provided and wearing face masks at all times.

ELCC finish at 3.15; pick up same as drop off. P1 can again be collected from the playground at 3.30. P2-7 will leave via the front gate.

P.E.

When we return to school, P.E. will be done outside. This means that you need to bring in an outdoor P.E. kit which must have jogging bottoms, wellies and sensible trainers. Your P.E. kit will be hung on your peg.

Returning to School

Safety and Wellbeing

To keep you safe in school you will be regularly sanitising and washing your hands for 20 seconds whenever you move around the school. You must remember with coughs and sneezes to catch it, bin it, kill it; tissues are in all classes. You will do all your learning in class groups and will not mix with children from other classes. You do not have to socially distance in class but should stay 2m away from adults and minimise contact with other children. You will have playtime outside in your class groups and each group will have their own box of outdoor equipment.

Lunchtime

You can choose to have school lunch or packed lunches. School lunches are free for all of P1-3. For P4-7, we prefer lunches to be paid online and your parents/ carers will receive a letter to instruct them on how to do this. Otherwise money should be placed in a sealed envelope with the name and amount written on and handed to the teacher. If you bring in a packed lunch, there will be a place to store it. The school will be providing snacks at break so you do not need to bring one from home.

Your belongings

You will each have your own peg for your coat and outdoor P.E. kit. The school will be providing everybody with individual pencil cases which will contain all the tools you will need for school. These will be kept in your tray with your other resources. You should bring in a filled water bottle which will be sent home at the end of each day to be cleaned. Please bring in a pair of wellies to leave in school for outdoor play and learning. You are not allowed to bring in a school bag or any other belongings from home.
