All hands on deck

October 2019

Our car wash for India was well supported and we were all kept busy throughout the afternoon. Some cars were much dirtier than others but we think we did a good job with every one of them—leaving a bit cleaner.

£88.50 was raised for the WE Charity

Halloween Capers

Everyone had great fun at our party—from dooking apples, syrup pancakes, ghost lollies & pumpkins.

End of Term 1

Rev Scott Burton brightened up our Term 1 celebration. We hope he will be a regular visitor. Another highlight was when several children received perfect attendance certificates.

Bluebird of Happiness

The West Midlands Children's Theatre entertained us with their interactive performance on courage. It was brilliant to see the confidence in our children when they joined in verbally and in the acting.

There were only 3 actors but amazingly we counted 14 characters portrayed in the play!

Values

Happiness can sometimes be difficult to conjure but this month has given us lots of happy memories—our end of term 1 assembly, our fundraising Car Wash, adventures in our 'new' forest, learning about new apps on our Ipads and our fun packed Halloween Party. School is indeed a very happy place to learn.

Litter Pickers

Robust litter pickers arrived thanks to a grant from the Seafarers Trust. We will be using these next month for a Beach Clean.

Wellie Wednesdays

We are delighted to let you know that we have found a perfect site for our Forest School day which is now known as Wellie Wednesday. The children are still deciding on a name for our camp and we may ask you to help us vote. During free and imaginative play children

create their own chances to do many things - nature does the teaching

and we are there for your children to feel safe and play freely. We are learning to take risks and explore a bit more in this magical place.

We all look forward to Wellie Wednesdays, if you have any questions, as always please just ask.
