

# Rhunahaorine Primary and E.L.C. Newsletter

## Raring to Go!

The 9 am start is proving to be a more settling beginning with children enjoying free choice of books and reading for pleasure as a soft start to our day.

The class library has been given some additional space and we would like to make this into a more comfortable, vibrant area where our books are accessible and inviting.

Children drew plans and made suggestions. If you feel you can help in any way with this project please contact the school.

### Committees

Every school child is part of a Committee:-

**Rights Respecting Schools**—Miss McQuire

**ECO** - Mrs Paisley

**Pupil Council**—Mrs Brown

Committees sit on a Monday afternoon and if you would like to be involved in any one of them please contact the school.

The playground equipment was spruced up with some paint during the summer. We also have a dinky new picnic bench.

## August 2019

### Values

Our class responsibilities have increased this session with children ensuring their Ipads are always charged. Other duties around the school include: setting and clearing dining room, buddy, desk tidier, library, cloakroom and feeding Goldie.

Children are growing in confidence as they embrace the school values of being: kind, happy and responsible.

## Rhunahaorine Nursery welcomes our new children

We are learning "All About Me" at the start of this term. We've been using ITC skills to take and print selfies, write our names and record our measuring.

We are putting together "A Wee storybook All About Me" and would love to include family photos. You can either email them to the school for us to print or bring in prints that we can copy. As always we value your input into family learning.
