Helping Others

Our Committees are keen to make an impact. Morvern (Kirsti's daughter) presented on her charity work in India this summer when she helped knock down a dilapidated school and rebuild. We are doing a car wash to help. This will raise funds for the WE charity which Morvern worked with in Rajasthan, northern India. They also provide water pumps.

Monthly visits to Campbeltown Library have restarted and children enjoyed the recent research activity Christine provided. Our own library is an ongoing project and many 'older' or slightly damaged books have been given away.

If you feel you can help in any way with this project please contact the school.

Playground Painting

Children were asked to design playground markings and painting on our playground has proven a big hit.

Badminton at Glenbarr

The upper school children are developing their badminton skills in Glenbarr village hall with its high ceiling. Thanks to Ann for this opportunity.

The younger children have been exploring the neighbouring woods.

Values

Many acts of kindness are being seen from the children as they increasingly help one another. These 'over and above' acts are added to our paper chain. It will soon be time for our next Hot Chocolate!

Theatre in Scotland

A day trip to Gigha to watch 'Cloudman' - a one man show provided by Theatre in Scotland. M said, "It was the best show I've ever seen" & "It was fab". A happy day for all.

Farewell Crocodile Camp

We are enjoying our time on Fridays on the beach in partnership with Gigha ELC. Sadly we are coming to the end of our beach school, but after our October break we will be going up to Rhino Camp for forest school. We are very excited about this as none of the children have participated in forest school before. We are learning about keeping ourselves and others safe

during risky play and also we are learning to assess our own risks. We are developing an Art Gallery on one of

our walls with all our favourite work. If anyone has any old frames looking for a new home we would love to have them. Thank you for all your support.

Heather & Kirsti

Dates for your diary

End of Term Assembly in the school classroom 10 am Friday 4th October
Car Wash Fundraiser for WE India 1-3 pm Friday 4th October

Thank you for all your interest and support.
