THIS WEEK AT RJC

A quick look back at some highlights of the learning, achievements and moments that made us proud this week.

A Message from the Head Teacher Ms Campbell

As we reach the end of a busy and successful term, I would like to thank all of our pupils, families and staff for their hard work, support and commitment. This week's newsletter celebrates just some of the many achievements, experiences and opportunities that have taken place across our campus.

We are also delighted to share that our recent sponsored walk raised an incredible **£5,352.05** for UNICEF and school funds, helping to support a range of opportunities, trips and activities for our young people. A huge thank you to everyone who donated and took part!

We hope everyone enjoys a well-earned October break and has the chance to rest, recharge and spend time with family and friends. We look forward to welcoming everyone back on Monday 19th October for another exciting term of learning, achievement and success.

Have a wonderful October break!

We are also inviting families to come along to find out how to support with study and revision at home.

SOME OF OUR WEEKLY HIGHLIGHTS

Maths Week Scotland

Maths Week was a great opportunity for pupils across Rothesay Joint Campus to explore maths in fun, practical, and engaging ways. From problem-solving to hands-on challenges, there was plenty of mathematical thinking in action!

Careers Fair

On Thursday the Campus held their annual Career's Fayre. Responding to pupil voice, we had a variety of Hospitality careers showcased alongside a wide variety of employers. Pupils were able to ask questions about their career pathway and explore healthy eating industries. They were even able to make their own smoothie using pedal power!

Restart a Heart Day

Pupils developed valuable life-saving skills and increased their confidence in responding to emergency situations. With expert support from Mags and Sam from our local Heartstart, pupils learned the importance of CPR.
