

All Creatures Great and Small

Looking at the practicalities and benefits of keeping animals on community gardens/farms and school ground environments.

7th June 2014

10 am - 4pm

Palace Rigg Country Park, G67 3HU

A day of inspiration for schools and community projects looking to make the most of the space they have available outdoors.

Not sure where to start? We will guide you through the areas you need to think about as well as providing workshops on CURRICULUM LINKS and HEALTH AND SAFETY implications.

Care Farming SCOTLAND

There will be workshop sessions on keeping poultry and bees, together with a market place and surgery sessions with experts so you can get answers to any questions you may have.

FCFCG members	£20
Non member community groups/ (includes individuals/teachers)	£35
Other organisations	£60
All bookings include lunch and a delegate pack together with a free CPD session for your cluster.	

To book your place or for further information please call us on 0131 623 7058
