6. Here's the **Search** page.

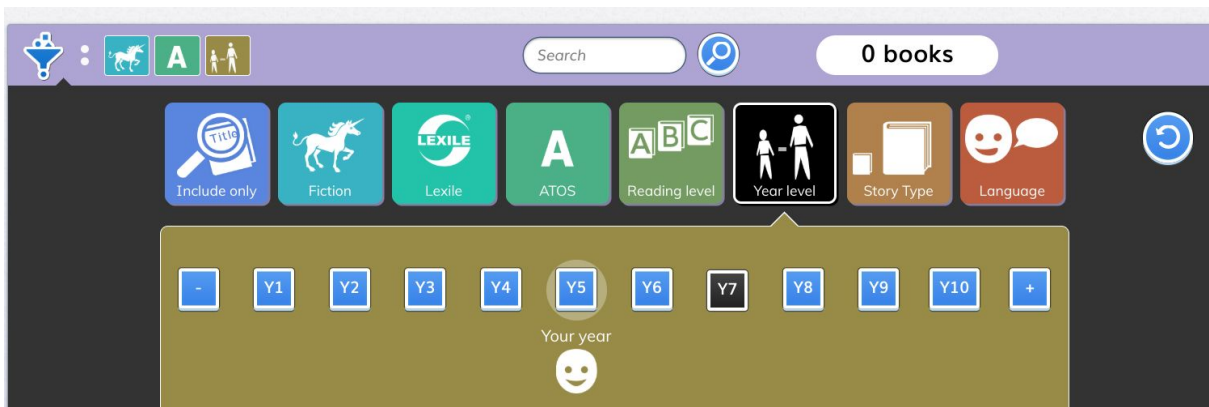

7. You can narrow your results to **Fiction** or **Non-Fiction**.

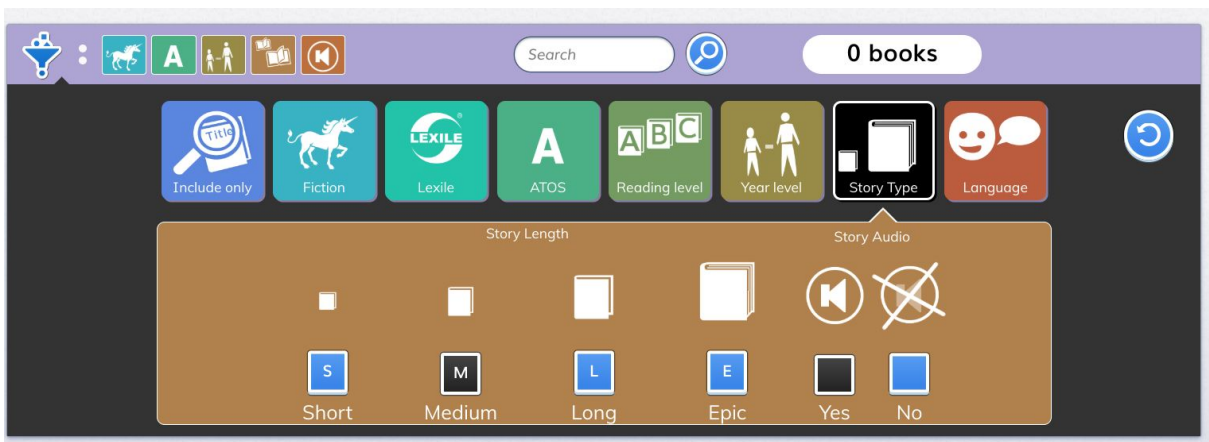

8. Then click **ATOS**. Use your STAR ZPD. If your score was 4.6-9.7, click on the 4s to start with. It will be added to the filter results line.

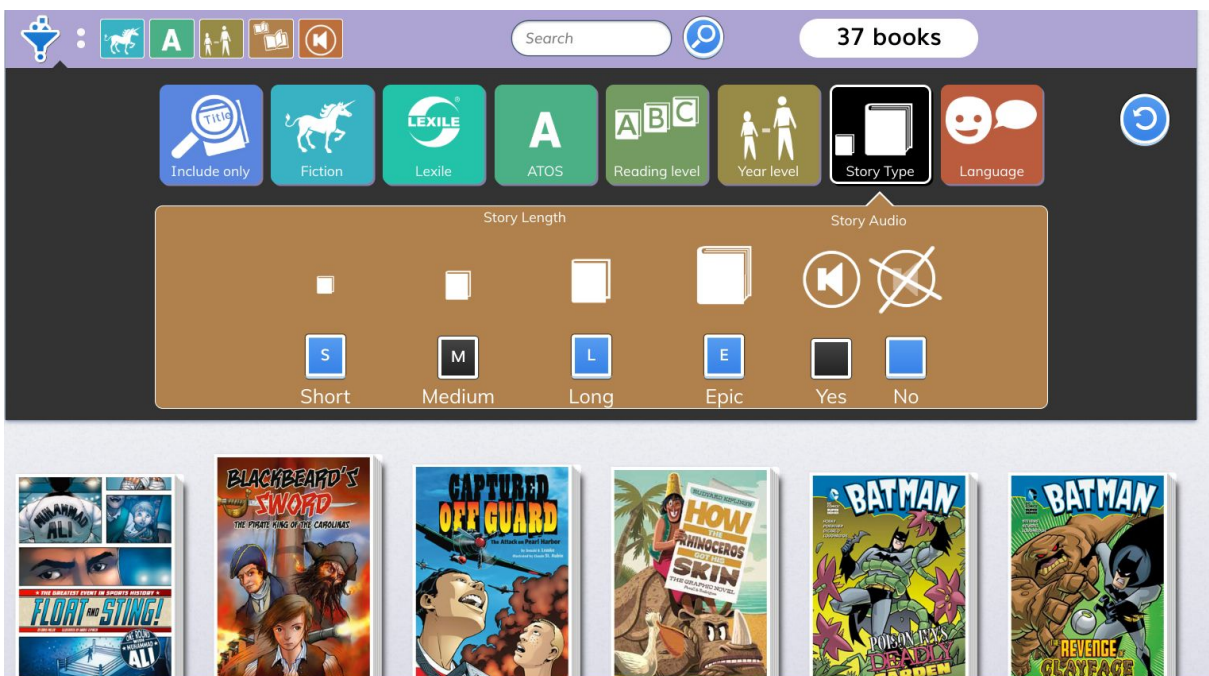

9. Click on **Year Level** and choose Y7 (S1), Y8 (S2) etc.

10. In **Story Type** option choose **Story Length**. If you want, add **Story Audio**.

13. If you have chosen to add audio to your book choice, you will be able to read along with the audio track. As each word is read, it will be highlighted in the text.

The name my parents gave me isn't Mouse. It's Davis. But I almost never get called by my real name. When guys aren't calling me Mouse, they're doing other stuff to me. They punch me in the stomach, push me into girls' restrooms, or lock my skinny bones up in lockers.

14. Adjust the sound settings.

15. Check the meaning of words you don't know with the Dictionary.

16. At higher ATOS levels, there are very few fiction titles. Search for Non-fiction.

VERY IMPORTANT - myON access is free for streaming, BUT you are unable to bookmark or save your progress. If you start but don't have time to finish reading a book, make a note of the book's title and the page number, to help you find your place when you return later to continue reading on the website.
