

# Welcome to Primary 1

2020

Welcome to Abbotswell School! I am Mrs Douglas, the Acting Head Teacher.

I am very much looking forward to you starting Primary One and us working together!

Hello boys and girls!

My name is Mrs Tysom and I am the Acting  
Depute Head Teacher.

Starting school is a very exciting time for  
everyone and I know you will love it here with  
us at Abbotswelll.

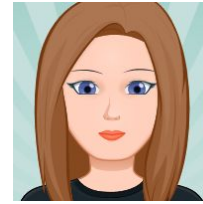

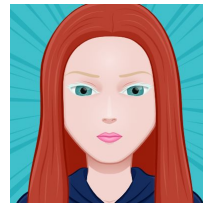

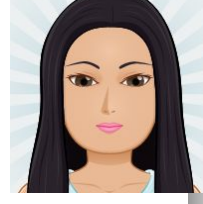

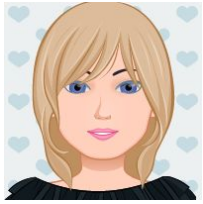

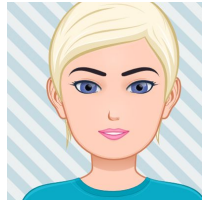

If you need help with anything visit our Main Office where Mrs Douglas, our Administrator and Mrs Geddes, our School Support Assistant, are there to help!

You will see all our helpful staff displayed in the school foyer when you arrive through the main entrance.

Here we are virtually...

*Do you recognise anyone???*

This is our Gym Hall  
where we run  
around and keep  
fit. We play games  
and learn new skills  
like throwing and  
catching.

These are our very friendly Dinner Ladies, who we see each day at lunchtime in the Dinner Hall.

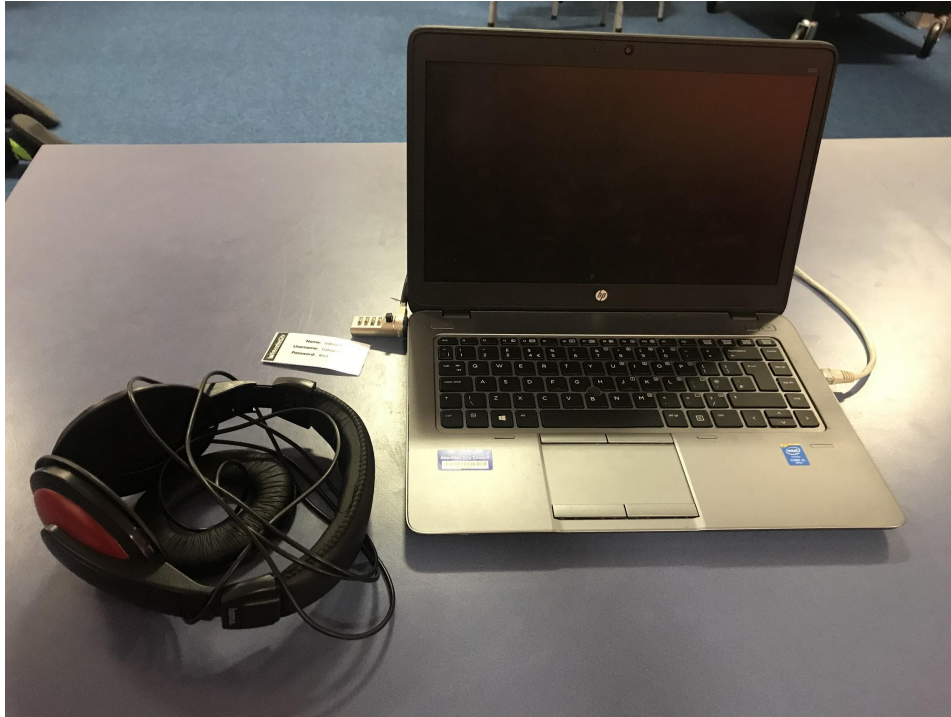

There are lots of spaces for us to explore at Abbotswell School. This corridor leads to all the classrooms upstairs in our school.

We have a great Library in Room 7, with lots of fantastic books!

There are Junior Librarians from our Senior Classes to help us when we visit.

We have access to technology such as laptops, iPads and SMART panels, everywhere in our school and have Digital Champions from our Senior Classes to help us if we are unsure.

Our Primary One pupils are normally split across two classrooms (because there are so many of you!) - this year they were in Room 1 and Room 2.

We use the Play Zone too!

It changes and looks different depending on what we are learning.

This is the infant door - it is where we enter and leave school each day.

It is also the door we use to go into the Playground.

We love Outdoor Learning at Abbotswell and are really lucky with all our outdoor space!
