- Start at 0 and count in hundreds. Go as far as you can and write the number down in your jotter.
- Practice your 2 times table with an adult. Think about repeated addition, for example $3 \times 2 = 2+2+2$. Write your x2 table in your jotter.
- Practice doubling your tens. Write down as many doubles as you can in your jotter.

Responsibility Jobs: Make your lunch and tidy up. Try to be as independent as possible. You may need an adult to help you with cutting up your food.

Look outside your window- what do you see? Can you draw what you see and label it with adjectives? (Psst! Remember adjectives are describing words such as gigantic, amazing, dark.)
