ABERDEEN CITY CAMPUS COURSE CHOICE 2016/17

Aim The Aberdeen City Campus aims to maximise the number of appropriate learning opportunities and experiences for the young people of Aberdeen. Pupils will be offered an enhanced choice of subjects that will increase their breadth of education further to that already on offer in their own school or school consortia. The City Campus provides greater diversification, including courses run by other educational training providers, to meet the needs of individuals in a changing educational environment.

Definition An Aberdeen City Campus class is one that is open to pupils from all of the Secondary schools in the city.

Evolution The City Campus started in session 2011/12. An initial aim of the City Campus was to provide all pupils in the city the opportunity to study Advanced Highers at two central locations. This was a measure designed to equalise the choices for all pupils. Specific subject areas that could not be provided for in all schools were catered for in this programme. Pupils completing courses outwith their home school gain both in academic achievement and social development. Learners will be better prepared either for further education or the world of work by their involvement in the City Campus.

From this beginning a wider range of courses is now offered to pupils in the city through many active partnerships. These range from university engagement to vocational training organisations. Currently Higher Dance and Mandarin are two of the more unusual specialist courses included in the programme.

Current partners in delivering the City Campus are –The Recruit, SHMU (Station House Media Unit), North East Scotland College, ACCESS RGU, The EAL (English as an Additional Language) Service, Saks Hair Academy and Citymoves Dance Agency.

To facilitate this City Campus model, all of the Secondary schools have a common timetable on a Monday/Wednesday and Tuesday/Thursday afternoon. This allows pupils to travel to the location where their chosen course is delivered. All pupils have the same opportunity to access these courses as a result of this common timetabling and funded transport.

Provision of Courses

Courses are provided at different SCQF levels to support the Senior Phase Curriculum.

SCQF 7

Monday/Wednesday	Tuesday/Thursday
<ul style="list-style-type: none"> • Biology AH (AGS) # • Drama AH (AGS) # • Geography AH (Harlaw) # • Graphic Communication AH (Harlaw) # • History AH (AGS) # • Mandarin AH (Oldmachar) # • Modern Studies AH (AGS) # • Physics AH (Harlaw) # 	<ul style="list-style-type: none"> • Business Management AH (Harlaw) # • Chemistry AH (Harlaw) # • English AH (AGS) # • History AH (AGS) # • Mathematics of Mechanics AH (Harlaw) # • Physics AH (AGS) #
