

P2 Class Newsletter

April 2018

Dear Parent/ Guardian,

Firstly, I hope everyone had a nice time over the Easter holiday! Another busy term is underway and the children have all made a pleasing start to the term.

Topic

This term our focus is being healthy. We will be exploring the importance of a healthy diet and keeping active. We will also be learning about the senses and keeping our teeth healthy.

Maths

In Maths the children will continue to develop their addition and subtraction skills. They will also be doing further work on time, 3D shapes, pattern and learning to interpret data from simple graphs.

The Big Maths Learn Its for this term are:

$$6 + 6 = 12 \quad 7 + 7 = 14 \quad 8 + 8 = 16 \quad 9 + 9 = 18$$

To support your child with this you could practise these at home.

Language

In Language the children will have the opportunity to write various different styles of writing for example: letters, instructions, imaginative and personal stories. The children will be continuing to explore describing words and different punctuation and will be encouraged to use these in their writing. We will also be doing further work on sounds and consolidation of previous sounds.

Assembly

Just a reminder that on Friday 18th May we have our Class Assembly. Please come along and watch!

Homework/Reading

Just a little reminder to please sign each page of your child's work and reading record. Homework will be given out on Monday and is to be handed in on Thursday.

Remember that on-going throughout the year pupils are completing a Pupil Profile where they are recording targets for each term, keeping a record of achievements and recording their learning each week. Please bring in any certificates or achievements attained out-with school so these can be included and celebrated too.

This will be an exciting and busy term! Remember please do not hesitate to contact me if you have any concerns.

Miss Lamond
