17 January 2013

To Parents of S1/3 Pupils

Dear Parent/Carer

Information Evening on Curriculum for Excellence

As a parent with a child, (or children) at the High School, you will no doubt be aware of the new national "Curriculum for Excellence" and may be wondering how it affects what your child is doing in school and the national assessments and examinations that they will eventually sit.

This is especially true since your child is currently in S1/3 and will be following new courses and taking new qualifications.

The Parent Council thought a special Information Evening might be of interest to you, during which all of these changes will be discussed and this has been arranged for Monday 28 January 2013.

The evening will be purposefully short and focused, running from 7.00-8.15pm and will, hopefully, provide you with what you need to support your children in their learning.

I look forward to meeting you on the evening and answering any questions you may have.

Yours sincerely

Iain S Orr
Head Teacher
