

Science, Engineering and Discovery

Professional Learning Sessions for Teachers: Accessing Dundee's STEM Heritage

Tuesday, 15 March: 16:15 - 18:30

Discovery Point

Tuesday, 22 March: 16:15 - 18:30

University of Dundee

The Science Learning Institute will host a two part CPD focusing on bringing the story of *Discovery* and the rich STEM heritage of Dundee into the classroom. The first session will include time aboard *Discovery*, and an introduction to the science involved in Polar Exploration. The second session, held at the University of Dundee will focus on practical lesson planning to effectively teach concepts from the previous session.

Pre-registration is required. Contact learning@dundeesciencecentre.org.uk or call 01382 868609 for more details.
