Aim

To give staff an awareness of the rights of people with additional support needs, and the knowledge, confidence and skills to be able to meet their needs about relationships and sexual health.

Target Group

Nurses, social workers, teachers, support staff working with people with additional support needs, as well as parents and carers.

Making Choices Keeping Safe

This course will be based on the issues covered in Tayside's "Making Choices Keeping Safe: guidelines for those caring for people with learning disabilities on relationships and sexual wellbeing".

Participants will become familiar with and understand the guidance and will feel confident in using the early risk identifier tool within it.

Intended Learning Outcomes:

- Increase knowledge of sexual health and reproduction issues
- Gain skills and awareness in addressing issues of sexuality
- Address values and attitudes and the impact these have on work
- Increase knowledge of rights, legislation and policy issues
- Understand group work with people with additional support needs
- Highlight key content areas for sex and relationship work with people with additional support needs
- Gain awareness of sources of help
