What is #30daysofplay ?

During November, we will be focusing on increasing parent engagement #30daysofplay.

PlayTalkRead has developed 30 different fun activities for parents to try as part of this campaign. During the month of November, we will offer families in Scotland the opportunity to win a family photo-shoot up to the value of £1000 by sharing a photo of themselves and their child participating in one of our suggest activities via our social media channels.

1. Go to playtalkread.scot/30daysofplay and choose an activity.

2. Take a pic of you and your tot doing the activity together.

3. Share it on facebook.com/playtalkread or post it on Twitter using [#30daysofplay](https://twitter.com/hashtag/30daysofplay)

Key Messages

- The everyday things **YOU** do **TOGETHER** make a big difference.
- You can play, talk and read together at anytime and anywhere that suits you by fitting activities into your daily routine.
