

# Focusing on ADHD

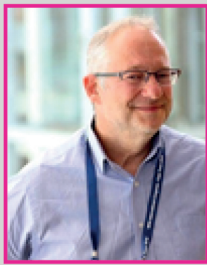

## Aptitude.. Misunderstood.. Hyperfocused.. Excluded.. Conference 2017

Attention Deficit Hyperactivity Disorder (ADHD) affects children, teenagers and continues into adulthood. Inattention, Hyperactivity and Impulsivity are the three main symptoms of ADHD. Come along to Our Focus on ADHD conference this year and gain invaluable knowledge from world class speakers.

### Kevin Roberts - ADHD

Public speaker on ADHD, cyber addictions, different learners and empowering human potential from Michigan, Detroit, USA.

### Phil Asherson - Adults

Professor of Molecular Psychiatry at the Institute of Psychiatry Kings College, London and consultant psychiatrist at Maudley Hospital. Philip will be talking about emotions and mind wandering in adults.

### Andrea Bilbow - Families

President of ADHD Europe and founder of ADDISS which provides information, training and support for parents, sufferers and professionals in the field of ADHD and related learning and behavioural difficulties.

### Fintan O Reagan - Education

Structure, Flexibility, Rapport, Relationships and Resilience are the key elements to behaviour management. With over 30 years experience Fintan is a knowledgeable and able practitioner and an entertaining and engaging speaker.

### Bill Colley - ADHD+

Bill is a writer, teacher trainer and educational consultant. Bill currently works as an independent educational consultant and supports local ADHD support groups and is a Trustee on the Scottish ADHD Coalition board.
