Lesson Ideas

[Back to Top](#)

These resources were developed from a long term course in Glasgow - **simple, short ideas for lessons across Early Years and Primary**, linked to CfE E&O's.

Literacy lesson ideas outdoors - [download here](#)

Numeracy lesson ideas outdoors - [download here](#)

Science lesson ideas outdoors - [download here](#)

This summer we will be undertaking this work again, for all areas of CfE. Do please get in contact with Matt if you have lesson ideas we should include, credited to yourself. mrobinson@ttl.org.uk

In addition we have had many schools adapt our 'Year of outdoor homework' resource. The activities are aimed at engaging whole families in active learning, using flexible learning ideas. You can [download the resource here](#).

Social Media

Our social media feeds are full of useful links and images of what schools and nurseries are up to outdoors. Tag us and we will share your practice!

Twitter - [@gflscotland](#)

Facebook - facebook.com/gflscotland

We are also on Youtube - and currently have a 'hit' with Caledonia Primary's Gaelic version of "We're going on a bear hunt" - [click here](#) or play below.

Funding

We are working with two schools this year to deliver a **whole school approach to outdoor learning**. Using in-service days, collegiate twilights and direct support days, we will train and coach all staff in school as well as advise and support through resources and ideas for learning. Both schools are using PEF funding to achieve this. Call 01786 465 934 and speak to Alison Motion or Matt Robinson if you are interested in this opportunity for your school.

Our **Local Schools Nature Grants** scheme has another round open. Even if you have applied before, do apply again. [Apply here](#)

Grounds for Learning is the Scottish programme of the UK charity Learning through Landscapes and it supports outdoor learning and play for children. Grounds for Learning is a registered Scottish charity (SCO38890), Unit 5, Alpha Centre, Stirling University Innovation Park, Stirling, FK9 4NF 01786 465 934

Grounds for Learning is supported by Scottish Natural Heritage
