Growing Future Assets

Congratulations to our **Highly Commended** team, who entered the Growing Future Assets Competition this year. The judges were extremely impressed by the work of Courtney, Sophie, Eva, Zuzanna. Their talent, enthusiasm, and hard work shone through, and their entry pitch achieved a place in the top level of entries in the senior category.

Feedback from their entry:

Brechin, you blew me away. You should be so unbelievably proud of yourselves and the amount of work that you clearly put into your submission. The level of detail in sections such as company profile and ESG was terrific, but you were also able to show us in the investment case and 'looking forward' sections that you were able to analyse the detail you were providing to develop a cohesive investment case. Really well done

S3 Netball vs Kirkwall
