

Drawing Challenge

A simple pencil sketch of a pencil and an eraser. The pencil is oriented vertically, with its lead end pointing downwards. The eraser is positioned horizontally to the right of the pencil, slightly overlapping it. Both are drawn with light gray lines and cross-hatching for shading.

Drawing Challenge... How to take part!

- Inspired by the 'INKTOBER' challenge you will complete a DAILY drawing using the prompts on the following page
- This is meant to be fun and exciting! You certainly don't need to be the 'best' at drawing, just give it your best effort!
- You can do a detailed drawing, or just a quick sketch
- Once you have completed your daily drawing, post it to Teams in your year level group!
- Don't worry if you get stuck, or even if you miss a day (or two)- just see where your creativity and imagination take you!

Watch the link below to find out more about INKTOBER! It might help you with your challenge!
