

# BGE THEATRE ARTS

Theatre Arts are elements used to enhance a drama and make a performance look more realistic. There are 3 of the 6 Theatre Arts listed below with a task attached – **choose one** to complete. You should complete the task with **materials you already have** in your home. Please ask a parent or guardian for permission when using materials and remember to ask for help (*if needed*) when using sharp items. If the task you have chosen is messy make sure you work in an area that is easily cleaned up or do it outside! Remember to also wear clothes you wouldn't mind getting dirty. Finally **have fun** and don't forget to send a picture of your completed task to your teacher!

## Hair & Make-Up

### Apply a fake bruise.

Using everyday make up create your own fake bruise.

Experiment, applying the bruise in different areas of the body and take your time applying and building up the bruise.

Remember to ask for permission if the make-up is not yours!

## Props

### Create a prop sword.

Using cardboard and tinfoil (*and a few other craft items*) make your own prop sword.

Remember to be careful when cutting and to take your time to make your sword as realistic as possible!

## Costume

### Create a zombie costume.

Using an old shirt/t-shirt make your own zombie costume using things you have at home.

You will want to tear and stain your shirt and you may need to use scissors (*be careful with this*).

Things you can use for staining – mud, grass, paint, food coloring, coffee, condiments (*ketchup, bbq sauce, mustard – try mixing them together for different effects*).
