

Developing a shared language of learning

In developing our common language of learning the children at Grange use **the Minion Measure** to explain to others how well they feel they are doing.

	I am just starting to learn this and I don't understand it yet. HEARD OF IT!	I am starting to get this but I still need some help. GETTING THERE!	I get it! I can do this on my own. GOT IT!	I am an expert! I could teach someone else. OWNED IT!
