Living and Growing Inputs - Respectful #acceptance

Learning in health and wellbeing ensures that children develop the knowledge and understanding, skills, capabilities and attributes which they need for mental, emotional, social and physical wellbeing now and in the future. Week beginning 7th June all classes will participate in the stage appropriate learning around relationships, sexual health and

parenthood. Class teachers will be in touch via Dojo with more information regarding content.

Parent Council and The KiltWalk - Successful #progress

A huge thank you to the Parent Council and our Grange community for raising a whopping **£4724!!** The fundraising will be used, in part, to support playground improvements in 2021-22. To kick things off the Parent Council have organised a consultation of our school grounds through Learning through Landscapes. They will observe how the children use our outdoor space, speak to children and teachers about what they would like to be able to do in our grounds and then consider the possibilities.

Last day of term Thursday 24th June – school closes 12pm

School lunches will still be available on the last day of term however these need to be pre-ordered by Wednesday 16th June. The offer will be a cold packed lunch and the choices are on lpay.
