

# NYCOS ANGUS CHOIR

## DOES YOUR CHILD LOVE TO SING?

DID YOUR CHILD MISS OUT ON SINGING DURING THE COVID PANDEMIC?  
WOULD YOU LOVE THE OPPORTUNITY TO WATCH THEM TAKE PART IN CONCERTS AND PERFORMANCES AS A MEMBER OF SCOTLAND'S LARGEST YOUTH SINGING ORGANISATION?

NYCOS is devoted to nurturing children's vocal talent across Scotland. Following COVID-19, we recognise many children missed out the opportunity to join our choirs as try out workshops normally occur in P3. We are delighted to be able to extend our efforts to now invite all children from 8 to 17 years to try out Angus's most exciting youth choir.

Joining a choir offers a rich and rewarding experience that nurtures not only musical talent but also personal growth, social skills, and a deep appreciation for the art of music.

## Why Singing?

- Singing is a skill every child can develop
- Positively impacts numeracy and literacy skills
- Proven benefits to emotional, physical and mental wellbeing
- Singing in a choir helps a child to learn other instruments
- Improves social skills, confidence and self expression
- Singing with other children creates a camaraderie and team spirit

## Why NYCOS?

- Each choir is led by enthusiastic, supportive highly trained musicians
- Musicianship sessions use fun music games to teach members how to read music and all about music notation
- With choirs all over Scotland, members can take part in events with 100s of other singers
- Choirs are great places to make friends and learn how to perform as part of a group

## How to Join

We look forward to welcoming new choir members in January. Please use the link or scan the QR code to register for a try out.

**NYCOS Angus  
rehearsals are  
held on  
Thursday  
Evenings  
in  
Forfar  
Academy**

"NYCOS is an incredibly valuable and very special part of my son's life, I cannot recommend it enough. Choir is the highlight of his week; he has made so many friends at and it's amazing to see how confident he has become each year. When we attend the concerts it's wonderful to see all the skills the children have developed."
