RECOUNT TEXT

A recount text is a text which retells past events or experiences in order of what happened. For example it could be a holiday, weekend news or details of a school trip.

Example layout of a procedure text for P2-P4 children.

WEEKEND

Last week my family went to grandma's house for her birthday.

First we drove in the car.

Then we had dinner and watched television.

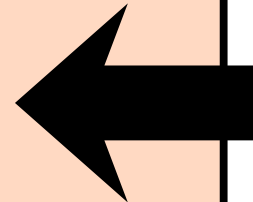

Finally we came home.

It was a great night.

RECOUNT TEXT P2

A recount text is a text which retells past events or experiences in order of what happened. For example it could be a holiday, weekend news or details of a school trip.

Example of a P2 writing by the end of P2. This would be done with support.
