RECOUNT TEXT

A recount text is a text which retells past events or experiences in order of what happened. For example it could be a holiday, weekend news or details of a school trip.

Example layout of a procedure text for P2-P4 children.

WEEKEND

Last week my family went to grandma's house for her birthday.

First, we drove in the car. Our car has four black wheels. The seats are very comfortable.

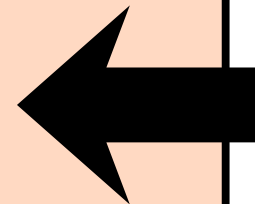

Next, we had dinner and watched television.

Finally, we packed up and we said goodbye.

I can't wait to go back!

RECOUNT TEXT P3/4

A recount text is a text which retells past events or experiences in order of what happened. For example it could be a holiday, weekend news or details of a school trip.

Example of writing
by the end of P3
and into P4.
