| <p><b>Paragraphs to describe each perspectives (Retell then judgement)</b></p> | <p>It was an extensive menu. It offered the diner a choice of five courses. In every course there was at least three different choices for everybody to make. The steak was well cooked and the bread was fresh and delicious. I was overwhelmed by the sauce that came with the steak.</p> <p>The restaurant had at least 15 waitstaff, they welcomed you at the door and came to the tables to take orders. The staff were friendly and very attentive.</p> <p>When you walk through the door, you are greeted by a lively and welcoming atmosphere. The dining room is bright and modern. There is upbeat music playing in the background, making it a bit too loud to speak to everyone at the table.</p> |                |                 |
| <p><b>Concluding statement</b></p>                                             | <p>It was a really enjoyable meal. It would have been more enjoyable if the restaurant was not so crowded and noisy. I would recommended this restaurant to anyone celebrating a birthday.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                |                 |
