

**Instructions.** The home learning grid below will provide you and your child an overview of opportunities for learning at home over the next week. **We will give more information and specific instructions about the below activities, daily, on Seesaw.** All sheets/activities (in red) are found in your child's homework pack or will be posted on seesaw. We look forward to hearing how things are going at home. Please send a photo of your child's learning or post a video to seesaw and we will provide your child with feedback. Please get in touch if you have any queries.
