April 2021

Rosemount Round-Up:

We have had a busy 2 weeks since our return following the Easter Holiday and although we are still having to abide by the guidance around Covid-19 restrictions things have felt much more normal this term.

Nursery Annex - Our new building to accommodate our increased nursery pupils was completed just prior to the holidays. Mrs Lamb and her amazing team spent much of the Easter holidays transforming it from an empty building into an amazing learning environment for our littlest children. What a great job they have done.

I hope it is not too long before we can welcome you all back into the school grounds and you can see this in person!

Annual Reports - Many thanks to those who responded to our survey around reporting this year as this has helped us to ensure we are getting it right. Reports will be similar to last year's format and will indicate progress and engagement that has been assessed while pupils have been in school this session. These will be sent home on 11th June and followed up by phone calls if required.

Staffing - This term we welcome Mrs Lisa Anderson to P3 who is covering Miss Seal's maternity leave until the summer. We also welcomed back Mrs Kemp who has returned in her role as a Recovery Support Teacher and will be working between here and Borrowfield this term. I know at this time of year pupils begin to wonder who their teacher will

be next session. The staffing exercise for all Angus Schools is currently underway and once we are in a position to share this information we will let you know.

Sports Day - Plans are being drawn up for a Sports Day in June. This will look very different this year due to the restrictions that are still currently in place for schools. At present we still unable to mix classes or invite parents into school for events however, we will do our best to make sure we can still have some fun, some friendly competition and give our House Captains a chance to shine!

I-Pay: A gentle reminder that all parents need to access I-Pay regularly, particularly if your child is absent, you must go in and mark them as such. This will prevent you being charged for a meal your child has not received. Office staff try very hard to keep on top of this however it is a parental responsibility to ensure the information is correct.

Dates for Your Diary:

- ◆ Monday 3rd May - School closed for May Day holiday
- ◆ Monday 24th May - School closed to pupils for In-service Day
- ◆ Thursday 24th June - End of Term at **12 noon**
