

# All About My Nursery at Southesk Primary School

**Hello**

**Welcome to Southesk Nursery.**

We hope you will be very happy here. There are lots of exciting things for you to do. We have lots of toys and games to play with, both inside and outside the Nursery.

This book is for you to share with an adult. You will find out more about the Nursery and the fun you will have learning as you play.

## When will I go to Nursery?

You will go to Nursery every day, either during the morning or afternoon.

We will get to know you very quickly and you will get to know us.

Your parent/carer can stay with you for a short time during the first few days until you are settled.

## What will I wear when I come to Nursery?

You can come to Nursery in your play clothes.

Don't wear good clothes because sometimes you can get wet or covered in glue or paint.

We have overalls in the Nursery for you to wear when you are doing messy play.

## **What do I need to take with me?**

You will need to bring soft shoes/gym shoes and a pair of welly boots. These can be kept in a drawstring bag in the Nursery.

Sometimes you can be so busy playing, you may have a little accident. It would be a good idea if you have a spare pair of socks/tights, underwear, trousers/skirt in your bag too.

## What will I do in Nursery?

Nursery is FUN!

There will be lots of other boys and girls to play with and you will make new friends.

You will be able to take part in lots of different activities.

In the Nursery there is a home corner and a quiet area where you can look at books, do jigsaws, listening activities and listen to music.

A wet area where you can paint, make models, cut and stick or play in the sand and water trays. There are lots of games and building toys for you too.

You will also go to the gym hall in the school where we play games, use balls and other equipment, as well as run, jump, hop and skip.

In Nursery we love playing and learning both inside and outside in our Nursery garden.

## Will I get something to eat?

Yes you will. Snack fees are £1.50 a week and the Nursery staff use it to buy you healthy snacks.

We have a snack table where you can go every day for something to eat and drink.

Your snack will be yummy and there is always water and milk to drink.

You will help prepare the snack, set the table and help with the washing up! We try to be tidy helpers in the Nursery. And of course after we have eaten we also brush our teeth with our own Nursery toothbrush.

## **Can my parents/carers come to the Nursery?**

Yes. They are always very welcome. When you start Nursery they can stay with you until you are settled.

They will bring and collect you from Nursery. They can stay some days to help us in Nursery and can put their name on the Rota. We are sure they would like to read stories, play games or help with painting and craft.

During the year they will come to Nursery to find out how you are getting on and about the activities you enjoy the most. You will also take home your folio to share all of your learning from Nursery.
