A survey has previously been sent out to parents and the responses have confirmed there is demand for an onsite Out of School club. Currently looking at taking 24 – 30 children. Jamie will lead the service with up to two employees. Breakfast club will run 7.30 to 9 am and After School 3pm to 6pm. Further information will be available in due course.

## 10. Nursery Show

Sophie has contacted Tots Stars who have advised they can visit the nursery for a Christmas show for £100. Parent Council have agreed to fund this instead of the Christmas books bought in previous years. JC will speak to nursery to ask their preference.

## 11. School Update

SS gave a school update.

Children are busy practicing for the Christmas Shows.

There is no Christmas service this year due to Church renovations.

At the December in-service days staff will be working with the cluster schools, taking forward the work on writing from last year, identifying what children need to develop writing and ensure the needs of each individual child are being met. Staff have also been focusing on how to help children build social skills through games, play, break out areas and supporting the children when required.

The school are looking at potentially working with Opal, a program which will assess the school playground to help create an environment which supports children engage in play. The school will meet with Opal again to look at options and value for money as it is expensive.
