

Talk to your baby in your own language

The best way to help your child learn to talk is to talk to him as much as possible in your own language – it doesn't have to be English. That way, your child will learn to talk confidently, and will be ready to learn English when he starts at nursery or school.

- Talk to your baby in your own language about what you're doing together – when you're bathing or feeding your baby, or changing her nappy.
- Have fun with rhymes, poems and songs in your own language.
- Tell your child stories in your language. Encourage him to join in with the storytelling.
- Try to find books written in your language for your child, or try making your own.
- Encourage your child to play with children who speak the same language as she does.
- Talk to your child about what he did at playgroup or nursery in your language. If he uses English words repeat what he has said using your language. But do not correct him or make him use your language.
- Help your child feel proud of your language. If she speaks more than one language, teach her the names of the languages.
- Don't laugh or tease your child because of his accent or if he makes mistakes.

Räägi oma vastsündinuga emakeeles

Parim viis beebit kõnelema õpetada on suhelda temaga võimalikult palju oma emakeeles. Niimoodi õpib laps julgelt rääkima ja on lasteaeda minnes valmis eesti keelt õppima.

- Räägi oma vastsündinut vannitades ja toites või tal mähet vahetades emakeeles sellest, mida te koos teete.
- Veetke emakeeles luuletusi lugedes ja laulukesi lauldes mõnusalt aega.
- Jutusta lapsele oma keeles lugusid. Julgusta teda jutustamisel kaasa lööma.
- Püüa emakeelseid raamatuid leida või ise jutukesi kirjutada.
- Julgusta oma last sama keelt rääkivate eakaaslastega mängima.
- Vestle lapsega emakeeles sellest, mida ta mängurühmas või lasteaias tegi. Kui laps kasutab eestikeelseid sõnu, korda tema lauseid oma keeles. Ära teda paranda, ära sunni oma keelt kasutama.
- Aita lapsel oma emakeele üle uhkust tunda. Kui ta räägib rohkem kui üht keelt, seleta talle, mis keeles ta parajasti kõneleb.
- Ära naera ega narri last, kui ta aktsendiga kõneleb või rääkides vigu teeb.
