Dear Parents and Carers

This booklet enables us to find out more about your child, which will help us to give your child a happy and secure start.

The first few pages are for you to answer with your child, and it gives your child the chance to do some drawings if they wish.

There is a page for parents and carers to answer, which includes some important information that we need at school.

Please give this booklet to your child's new teacher when you have your home visit. This will be an opportunity to talk together and get to know each other.

Please bring this booklet with you on your first day at ...

Thank you
