March 2015

Dear Parent/Carer,

### **Opportunities for S4 Students not undertaking SQA Examinations**

You will be aware that your daughter/son is being presented for National Qualifications in the 2015 diet. Most National 5 (N5) courses require candidates to undertake an external examination set by the Scottish Qualifications Authority (SQA). Your daughter/son will be issued with a timetable for such examinations where appropriate. National 4 (N4) courses do not involve such external examinations and do not require the associated study leave. Kemnay Academy has designed a menu of activities that pupils who are studying fewer than three N5 courses may opt into. These options are presented in calendar form (see attached).

Please discuss these options with your daughter/son and circle on the calendar those in which they wish to participate. Please also indicate the N3, N4 or N5 courses that your daughter/son is undertaking along with the date of any known examination.

Please return the attached calendar with your options circled by Friday, 27 March.

Yours faithfully,

Dr Charlie Hunter  
Rector
