LP/SB

October 2016

Dear Parent/Carer

S4 " LIVE N LEARN" EVENING, WEDNESDAY 16th NOVEMBER 2016

Kemnay Academy, has the aim of giving our young people the confidence, attributes and capabilities to make valuable contributions to society and to prepare them for future employment and diverse careers. Partnership with you, parents and carers, is vital in doing this effectively. Our aim is to work together with you to help our young people develop and maintain ambition and positive attitudes throughout their life-long education.

Throughout the day all S4 pupils will have experienced an inspirational and motivating seminar delivered by the company Live –n – Learn.

We are delighted to be able to invite you to an evening seminar targeted specifically for parents, the content of the presentation is as described below.

Parent Seminar - Course Outcomes

Through an interactive, relaxed and fun workshop, parents are given strategies which allow them to support their children throughout their time at school and on their journey through life. We offer a first-hand insight into why your school is using Live-N-Learn and leave parents reassured that they are able to play an active role in their child's education.

Topics Covered:

- *Mindsets*
- *Building Confidence*
- *Creativity*
- *Getting Involved*
- *Interacting With Young People*

Presentations will begin at 7.00pm and will last roughly an hour. We encourage you to come along and would be grateful if you would return the attached slip via your daughter/son.

We look forward to welcoming you the Academy in person on 16 November.

Yours faithfully,

Mrs L Paul
Rector
Kemnay Academy
