VE Day Word Art

To mark the anniversary of VE Day, Reverend W. Stalder asked the pupils of Methlick School to create a display for the church. Each class were assigned a word and the task was to create a piece of art with that word as the main focus. We would like to go ahead with Reverend Stalder's request and challenge you to create your very own word art. This can be done with pen and paper or using technology, just try to be as creative as you can! Please share your finished word art piece with your Class Teacher either through Seesaw or by email. Mrs Fraser has access to Seesaw for every class and she would love to see your creative skills being put to the test.

Here is an example – the word for Primary 6 is 'reunite'. We wanted to capture the feeling of coming together and this ties in well with the current circumstances we are experiencing. The piece below has been made using an online word art creator.

Class words:

P1 – Love

P2 – Peace

P3 – Calm

P4 – Unity

P5 – Home

P6 – Reunite

P7 - Resolution
