of	climbed	trees	the
tallest			

Word muddle – put the words in the correct order to make a sentence from the story

smile	there	would	he
be	His	whenever	happy.
was			

Question Time

Literal Questions – answer questions about what I have read. Find it and prove it.

Where and when does the story start?

Who is the story about?

How is Augustus feeling at the beginning of the story?

What did he find under the cluster of bushes?

What did he find at the tops of the tallest trees?

Where did he find his smile?

What type of ending does the story have?

Inferential Questions – the story does not actually tell you the answers to these questions instead use the story clues and your own knowledge to answer these questions

Why do you think Augustus was sad?

Do you think you would find real tigers climbing trees and mountains?

Which country do you think the story might be taking place in?

Can tigers dance?

Do you think you would be able to tell if a tiger was smiling?

BIG QUESTION – What is the author trying to get you to remember?

Evaluative Questions – Answer with your thoughts and opinions.

Do you like, dislike the story?

Why do you like, dislike the story?

What makes you sad?

Which part of the tiger's journey would you like to visit?

How do you feel when rain starts to fall? Are you a puddle jumper?

What makes you happy?

Wonder Words

Which word is your **favourite word** in the story?

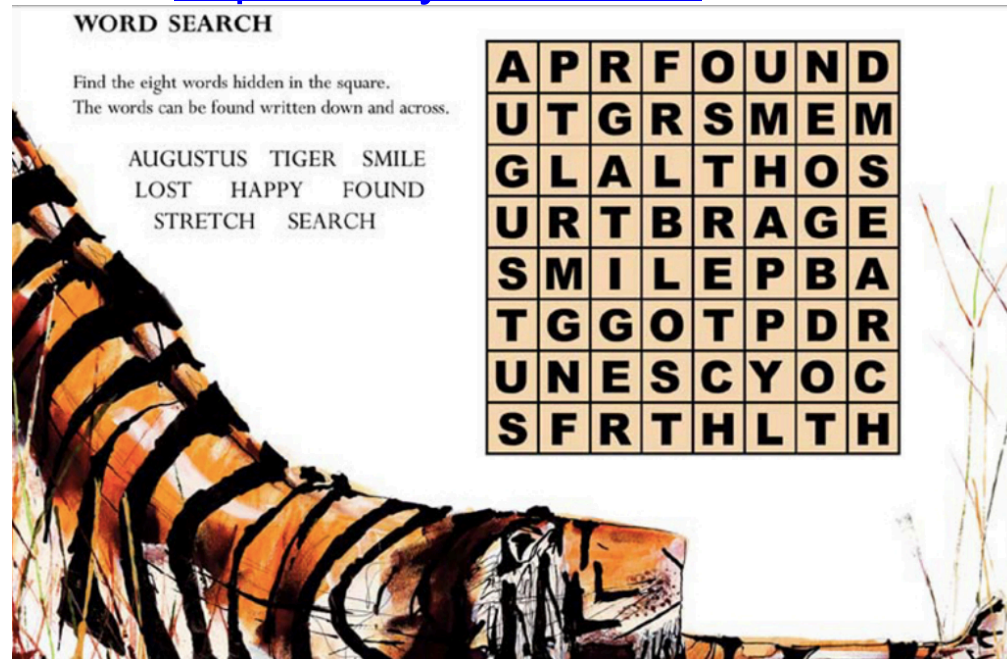

Can you collect 8 words from the story and use these to make a word search with?

There is a blank template on the blog post.

OR

You could try the word search that Catherine Rayner has created.

This is a link to download it - <https://bit.ly/2MwvNY7>

WORD SEARCH

Find the eight words hidden in the square.
The words can be found written down and across.
