

Health and Wellbeing – Social Subjects/Local Area

Mild	Spicy	Hot
<p>Create a trail for Methlick Could it be a building, shape, number or wildlife trail? Look at this pack to see the trails that Haddo have created. https://bit.ly/3dLQ7k5 Now create your own. The teachers will share ideas on the blog.</p> <p>What is on our Doorstep? I know that we are all looking forward to being able to be outside a lot more often. Scotland is a beautiful place to live and there are many places I have seen online that I want to visit. Visit Aberdeenshire have made a new page on their website filled with online tours and videos for us to view while at home. https://www.visitabdn.com/abdnwillwait Explore the website and make a list of places you would like to visit and why. There will be a post on the blog with ideas and activities for locations around our local area.</p>	<p>Create a flag or badge Flags are used across the world to show belonging, share beliefs, goals, rules and regulations. Research flags and the symbols used in them and either write a short report on why flags are used or design your own one to share your style and remember to include your special and unique traits and hobbies. https://www.kids-world-travel-guide.com/world-flags.html</p> <p>World's largest lesson Watch this clip and reflect on the message shared. https://vimeo.com/138852758</p> <p>Present your view in a short video/poster/report and share on Seesaw. Think about - How does the clip make you feel? What are you thankful for? How can you get involved/save precious resources?</p> <p>Discover Methlick Click here to access google earth: https://www.google.co.uk/intl/en_uk/earth/ Using this software, find Methlick school. Play about with the zoom in and out buttons. What can you see. Click on the picture of the little person, once the roads turn blue you can drop the person onto the map. Do you know where you are? Can you move forwards and backwards to get to the church or the park? Follow up ideas:</p>	<p><u>Virtual Trips</u></p> <p>We don't know about you, but Miss Deans and Mr Reid are fed up of staying indoors and want to organise a trip!</p> <p>Over the next two weeks, Miss Deans and Mr Reid will be taking you on two different virtual trips. We want to give you the full experience of our usual school trips, which means exciting places full of interesting activities.</p> <p>Activities will be provided for each trip on the school blog.</p> <p>Trip No.1 - Edinburgh Zoo (Week 1)</p> <p>Trip No.2 - Aberdeen and Aberdeenshire (Week 2)</p> <p>information for both trips will be posted every Monday on the blog.</p>

| | <ul style="list-style-type: none">• Race to the river: drop the person icon somewhere on the map. Time how long it takes you to get to a spot where you can see the River Ythan. Challenge someone to see if they can beat your time.• Make a map: using Google Earth as a guide, draw Methlick community on a large piece of paper. Cut out some icons to label different points of interest e.g. A picture of a picnic table might mean a park, or a cross might mean a church, eco flag might mean Methlick School. You could make a key to support your icons at the side.• School Trip: use Google Earth to plan a trip to somewhere in Aberdeenshire e.g. Crathes Castle. Look around the area in both 2D and 3D and write a list of all the things you could do while you are there. You could take this one step further and research how long it will take you to get there and places you could stop and investigate along the way. | |
