PEF (Pupil Equity Fund) Questionnaire

The Scottish Attainment Challenge is about achieving **equity** in education. This can be achieved by ensuring every child has the same opportunity to succeed, with a particular focus on closing the poverty-related attainment gap. The Pupil Equity Fund is allocated directly to schools and targeted at closing the poverty related attainment gap. In 2017 to 2018, £120 million will be distributed.

For next session 2018/2019, Alva Primary has been allocated **£109,200**.

We would like to involve you in helping to decide how to spend this money. Please complete this short activity and we will collate the results.
