Parents/Carers P7T

Dear Parent/Carer,

Outdoor Education Personal Skills Programme – Skiing 2019

Part of the provision of the Outdoor Education Programme is an opportunity for your child to take part in skiing lessons on an artificial ski slope at Firpark. The dates are as follows:

9.30 am – 12 noon (approximately)
Lesson 1 – Wednesday 21st November
Lesson 2 – Wednesday 28th November
Lesson 3 – Wednesday 5th December *10am – 12 noon

Your child should wear clothing that will keep him/her warm and dry. Long sleeved jumper, long socks, waterproof jacket and **gloves** are essential. (**No gloves - no skiing**). As the plastic mat is abrasive, old clothing is recommended.

Pupils will have a break during their skiing lesson and should bring a non-fizzy drink and a healthy snack.

In order for your child to take part, I would be grateful if you would complete and return the attached tear-off section ASAP. **I would also ask for £5.00 per week towards the cost of transport.**

Yours sincerely,

Allison Littlejohns
Headteacher

.....

P7T– Wednesday Skiing Lessons – 21st November – Wednesday 5th December 2018

Name of Child..... Class.....

I agree to my child taking part in the skiing lessons arranged by the Education Department and note that there will be a charge of £5.00 per week to cover transport costs.

Signature of Parent..... Date.....
