

You said...

The nursery has very hardworking and supportive staff. They are all very approachable

This is a lovely, warm environment where my child has grown in confidence and skill

There are lots of different opportunities and activities within the nursery

It would be great to have parental dates in advance

More Class Dojo updates would be great!

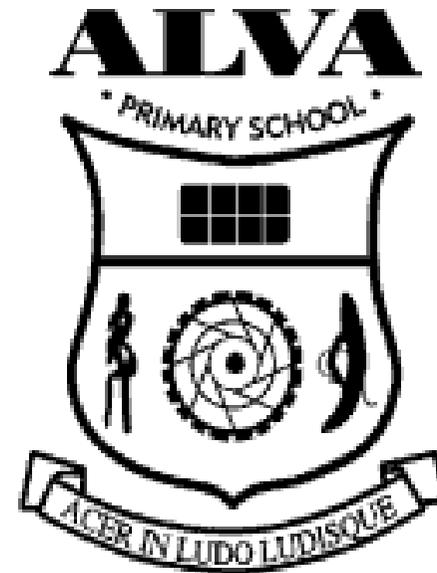

More time spent on the nursery floor would be beneficial

We did...

- We are delighted that you feel that our nursery staff are caring and are able to support the children well. The nursery team work hard to build and maintain a positive, welcoming ethos and were delighted to read your comments regarding this.
- We are very pleased that you feel the nursery environment is warm and welcoming. The staff have worked hard to ensure our space helps children develop appropriate skills which will help equip them in later life.
- We ensure that the children have a wide variety of experiences which focus on developing their skills both indoors and outdoors.
- To help you plan in advance, our Pop In Parents session dates are now displayed on each cloakroom notice board. You will also receive a letter regarding future dates. Information will also be displayed on the school website. We have also extended this time to a 30 minute session.
- Alva Nursery's Dojo account will be updated regularly to inform you of forthcoming events and any news the nursery has to share with you.
- Some Pop In Parents session will be dedicated to Learning Journals which will give you a chance to speak to your child's key worker on their progress and development. All parents/carers are also offered a 6 monthly parental review to discuss progress. We also operate an open door policy in Alva Nursery Class and we would encourage you to speak to your child's key worker at any time.

Alva Nursery Class

Thank you for taking the time to complete the questionnaire sent out to you in November 2016. Feedback is a gift and it helps us to make our service even better. We hope that you have found this information leaflet beneficial. Should have any further questions, queries or suggestions please do not hesitate to contact either myself, or a member of the nursery team.

Thank You

Mrs Rice
