

Literacy

We continue to work with Sue Ellis in a bid to promote reading across the school and nursery. We are investigating different ways to teach writing this session.

Busy Bee

We will evaluate our Busy Bee Learning Hub and look for new way to engage our families in play and learning opportunities.

Experiential Learning

We continue to provide activities and excursions which will provide opportunities to meet new people, visit new places and gain new knowledge.

Session 2019-20

What are we going to improve this year at Coalsnaughton Primary School and Nursery Class?

Social, Emotional and Behavioural Barriers to Learning

We will address barriers to learning and develop our classroom environments to ensure the needs of our learners are met.

Numeracy

We will evaluate how we teach numeracy and consider the range of experiences we provide our pupils to boost their skills and knowledge.

Attendance

We continue to monitor pupil attendance!
