Dear Parent / Carer

Covid 19 Update: Craigbank PS & ELC

Thank you for your patience and understanding during this period of remote learning for the school. Following a meeting with Public Health this morning, they have advised that all staff should be tested either today or tomorrow and that the school should remain closed in the meantime. The additional testing will help us to make a decision, in consultation with Public Health, about the possibility of re-opening the school. A further meeting will be held with Public Health early next week to decide on next steps and I will provide you with a further update on Tuesday.

Mrs Veronica Cully will continue as interim Head Teacher and she will work with school staff to ensure continuity of learning and support for all children.

Please be assured we are doing everything we can to ensure that learning continues, whilst safeguarding the health, safety and wellbeing of staff and children.

Please direct any questions or concerns you may have to the school email address craigbank@edu.clacks.gov.uk, marked for the attention of Veronica Cully.

Thank you for your understanding and continued support.

Yours faithfully
