- All jewellery must be removed or taped for PE and long hair tied back.
This includes fitness watches and fit bits.

what we are learning in PE

By Miss Johnston

Primary 1 and Primary 2 are working on their racket skills to develop their gross and fine motor skills.

Primary 2/3 and Primary 3 are also working on their racket skills but with a focus to improve their hand-eye coordination.

Primary 4 are developing their net game skills by work on their rhythm and timing, and balance and control.

Primary 5 are working on their net game skills through tennis to improve decision making.

Primary 6 are working on their net game skills through badminton to develop coordination and fluency.

Primary 7 are working on their net game skills through badminton to develop kinaesthetic awareness and problem solving.

After the November in-service all classes will be moving onto practicing their social dances and party games.

And after the Christmas break they will all move on to develop their Gymnastics!

Sports Committee

All sports committee representatives have now been selected and you can find out who your class rep is at the left hand side.

CPSSA

The Virtual Cross Country was a huge success with over X pupils taking part across P5-7. Everyone put in a fantastic effort and should be very proud of themselves!

A Rugby 7's Festival took place in October for P7 pupils. We sent one team of 7 to play in a couple of matches against Alva PS and Coalsnaughton PS, winning both our games. Congratulations to Amilee Wilson for winning the Fairplay Award.

We sent 6 pupils to compete in the Cross Country Championships at West End Park who all did a grand job. All finishing in the top 10, here are their results:

P5 Girl - Ruby Smyth (2nd)
P5 Boy - Ruaridh Mitchell (1st)
P6 Girl - Megan Mitchell (4th)
P6 Boy - Murray Spowage (8th)
P7 Girl - Zoe Muir (2nd)
P7 Boy - Oliver Waring (9th)

Well done! #TeamMenstrie
