- **AOB**

Parent Council Office Bearers Update

- We are in the process of developing our Parent Council. At this point we are not requiring any official office bearers, we are just looking to encourage parents to work with school to fundraise and support the development of our school grounds. However, Gordon Smith will sign off any financial transactions and confirm the bank account is accurate.

Christmas Raffles

- Grand raffle has been drawn and prizes awarded. This made a profit of £121.
- £1 raffle tickets are selling well and will be drawn as planned on 20th December. These tickets are selling really well and there are lots of prizes on offer. Kirsty Fraser and members of the Parent Council are in the process of organising tickets and prizes.
- Parent Council would like to thank school staff for donating items for the Christmas hamper.
- Moving forward it may be a good idea to have a raffle around Easter time as it is acknowledged that there are lots of organisations looking for money at Christmas. Potential prizes could include a household item e.g. tumble drier, television, or short family break.

Videos from Santa

- Glow form has been posted on Class Dojo which closes on 10th December. Videos will be recorded the following week and stored privately on YouTube. Parents will receive a link via Class Dojo to view their personalised videos.

Christmas Parties

- Classes will be provided with juice, crisps and a sweet from the money raised by Parent Council.

AOB

- Maddie Muirhead, Clacks Work, to come into school to support parents who are looking to get back into education or the workplace. She can support parents to find work, purchase clothes for interview etc.
- Work on school grounds has started. The walkpath is almost complete then work will begin on the grass hill area.

ACTIONS:

- Kirsty to link with Lillian Gray to purchase Christmas party items from Bookers.
- Kay to invite Lawrence Hunter, Alloa South and East Forum, to a future meeting to share what he might be able to offer to support these developments.

Next Meeting: Wednesday 19th January at 6pm
