Meet the Teacher Event Feedback Summary

The wordle below represents the feedback comments we received, with larger words having a higher frequency.

On 13th September 2018, we invited all parents and carers to attend our "Meet the Teacher Event" at Sunnyside Primary School. A summary of feedback from that event follows.

Results are collated from 41 feedback comments and scores.

What you said;

You gave us an average rating of 5.3 (out of a possible 6). This shows a high level of overall satisfaction.

It is wonderful receive such overwhelmingly positive feedback for ourselves and our Parent Council. With terms such as great, very good, welcoming, organised and friendly being used frequently.

Other feedback comments included the idea of a crèche for little ones, further opportunities to engage directly with teaching staff and refreshments that cater to alternative dietary requirements

What we will do;

- We, unfortunately, do not have the facilities to offer a crèche service.
- We will pass on your comments to the Parent Council regarding refreshments as they organised this aspect of the event.
- We are hosting further open days, showcase assemblies and Parent Evenings to allow sharing of learning and teaching. The dates of these are on our annual calendar (available here).

Thank you to all who provided this feedback.
